

Red Hot

Heavy Duty Truck & Equipment Cleaner

RED HOT is a highly concentrated alkaline detergent used primarily as a heavy duty cleaner for trucks and equipment. Very popular with the pressure wash industry. Extra alkaline "bite". Free rinsing in hot or cold water.

DIRECTIONS:

RED HOT can be dissolved up to ¾ lbs. per gallon of water for the preparation of the concentrate tank. Solubility will vary depending on solids present in the local water and temperature of the water being used. Suggested concentrations of ¼ lb. to ½ lb. per gallon of water are recommended for a stock solution. Adjust metering device to deliver amount of concentration desired. Dilutions may vary depending on the type of soil and speed of removal desired.

Product:.....SPPG25R
Physical Form:.....Powder
Fragrance:.....None
Concentrate Color:.....Red
Foam Color:.....White
Foam Tendency:.....Medium
Shelf Life:.....One Year

Available In:
50 lbs carton
100 lb fiber drum
400 lb fiber drum
